

YOU CAN HELP FIGHT ALD...

# CPSA 5K

...IT'S A WALK IN THE PARK!

Join a community of scientists, doctors, patients, caregivers, and supporters to support the efforts of ALD Connect in the ongoing battle against adrenoleukodystrophy (ALD).

ALD is a progressive, genetic disease affects the adrenal glands, the spinal cord, and the white matter (myelin) of the nervous system. ALD is considered a rare disease and affects approximately 1 in 15,000 people worldwide.

**Sunday, May 5<sup>th</sup> 2019**  
**Burchard Park at College Pond**  
**269 Concord Road**  
**Weston, MA**  
**11:00 AM**

Individual Donation  
\$30

This event is organized by the CPSA Charitable Foundation to benefit ALD Connect. It is held in conjunction with the CPSA Analytics 2019 Symposium. CPSA Analytics is an annual conference where researchers, clinicians, scientists and patients meet with the goal of developing new technology and solutions together.

Visit  
[www.cpsa-analytics.com](http://www.cpsa-analytics.com)  
for more information and to register to walk.
